Ladies' 1st Team report for AGM February 2022

Ladies' 1st team Ladies 1 Division 2 - Floodlit

We have had a good season to date but have had matches cancelled due to Covid and the opposition not being able to get a team and the weather. Due to this we have a lot more matches to play. We have won one, lost two and drawn one. Thanks to everyone who has played - Jackie, Lisa, Sophia, Jayne, Lucy, Jacqui, Grace and Nicole and Nicky who helped us out as we had injuries and sickness and were struggling to get a team out.

Mixed Division 4 – Floodlit

We have had an enjoyable fun season to date but have had matches cancelled due to Covid and the weather. Due to this we have a lot more matches to play. We have lost one and drawn one. Thanks to everyone who has played - Jackie, Nicole, Lisa, Ian P, Bill, Martin L. We are playing Creekers this Wednesday at home, but the forecast is not looking good.

Weekend League – Ladies Division 2

This season we have four Stowmarket ladies' teams to play and so our away matches are guaranteed as they play in the bubble – yippee. Again a few matches have been postponed due to the weather and injuries and even a flat tyre en route!

We have managed to play eight matches and we have gained only five sets which is a shame as all the games were hard fought. We were promoted last year so they are of a higher standard. This season I have struggled to get players on a Saturday due to work commitments and injuries and social commitments.

My long-term partner Mags has still not played since breaking her wrist in August on the tennis court at the Thorpeness tournament and hopefully she may play some towards the end of the season. Thanks to everyone who has played, it is much appreciated – Jackie, Lisa, Nicole and Jacqui.

Jackie Quilley
Ladies 1st Team Captain
